

ASSOCIATE PROGRAMMER ANALYST (Specialist)

Salary Range: \$4110-4997

We will also consider filling this position as an **Associate Information Systems Analyst (Specialist)**, depending on the candidate's qualifications.

Under the general supervision of the Chief Information Officer, the Associate Programmer Analyst (Specialist) will support the California Housing Loan Insurance Fund (CaHLIF) program.

The primary function of this position will be the conversion of the existing Mortgage Insurance System to Visual Basic, followed by the ongoing maintenance of the converted system. Incumbent will work with users of existing system and lead programmer/analyst who developed existing system to plan and implement the conversion. The Mortgage Insurance System is used by a staff of 15 program employees, supported by two IT staff, and includes the full range of program functions: insurance application processing, billings, premium collections, claims processing, management reports and general accounting.

Submit application to:

Personnel Office, 1121 L Street, 7th Floor, Sacramento, CA 95814.

Please call Carol LiVecchi at 916-327-5172 with any questions you might have.

TDD Number: 916-323-7490.

California Relay (Telephone) Service for the Deaf or Hearing-impaired

from TDD phones: 800-342-5966. **From voice phones:** 800-342-5833.

TDD is a telecommunications device for the deaf and is reachable only from phones equipped with a TDD device.

Applications will be screened, and only those most qualified will be interviewed. This position is subject to SROA clearance policies.

Final File Date: Open until filled
